

THE SPA

at the
Killarney Park Hotel

WELCOME TO THE SPA

Located in the heart of Mother Nature, Killarney town is sheltered from the outside world by the rugged glaciated landscapes of the South West of Ireland. This is our home.

Welcome to The Spa at The Killarney Park Hotel.

From the moment you arrive, whether for an hour or as a guest, you will discover the true meaning of warmth beyond the smile.

East comes West. Old mixes with new – the décor with its distinctively Eastern flavour merges seamlessly into the purity of modern design. Featuring eight private treatment suites, the Spa also has a specially designed relaxation room and caldarium.

When choosing the products and treatments for the Spa, equal consideration was given to the requirements of both male and female clientele. Of course, a visit to any Spa is much more than product or place. It is the human touch....that makes all the difference.

Prepare to be pampered.

SIGNATURE TREATMENTS

EVE LOM FACIAL

90 minutes

Eve Lom's philosophy is based on a holistic approach to skincare. Cleansing is the key to human grooming. The Eve Lom treatment is primarily an evaluation of the present skin condition, application of the appropriate individual treatment using the highly acclaimed Eve Lom skincare products and finally the re-evaluation to achieve the lasting maintenance of the skin.

The Eve Lom facial involves a deep cleanse, followed by the application of a warm paraffin wax. Impurities are then removed and a clay-based mask is applied, which works to draw out impurities, leaving the skin glowing and feeling refreshed.

ELEMIS VISIBLE BRILLIANCE FACIAL

This superior treatment is further enhanced by a luxurious hand and arm massage and de-stress scalp treatment for the ultimate in scientific skin-therapy.

ELEMIS AROMA STONE THERAPY

80 minutes

Warm Basalt stones melt away tension. Therapeutic heat is slowly released into the belly of the muscle for a completely new body experience. Small stones are placed on key energy points, whilst luxuriously warmed oils are massaged deeply into the body for maximum relaxation..
